Dear Randy,

Thanks again for sending the books to me. I can't wait to give them to my two children who now have twins. Matt, a grad from USMA '99, has a girl and a boy in addition to a 5 year old boy. Kathryn has twin boys! I just love the books and am going to send a copy to each of them. Two of the new ones you sent will be going to school. One will be used during a social group class for first through 3 graders in our Special Education program at the school I work in, Arlington Science Focus School. The other will be going to our counselor who has lunch groups that visit her from every class where the kids will be discussing how to be fair, helpful, and just being a good friend. Your book will be a great addition to all four groups. And as I told you in my previous letter, one copy is for me. I really enjoyed reading it and seeing how well the children understand the whole idea of Respect. It is something all of us need to be aware of all the time. Thank you so very much for filling my orders so promptly. I hope my small purchases help out the legal group that is receiving the donated money from these orders.

Sincerely,

*Sharon Wells*
